

Audience COVID Safe Policy

What you need to do to stay COVID Safe, and respect others when visiting FCAC. Please note these are conditions of entry

1**Let us know if you are coming in a big group (6+) ahead of arrival.**

If you are planning to visit our galleries in a big group - please email reception@footscrayarts.com with your arrival time.

2**Wear a mask to FCAC, and keep it on in indoor spaces**

You must wear a mask in indoor spaces at FCAC. If you do not have one, there are disposable masks available.

3**Complete the QR Contact Tracing Code if you enter FCAC (even if you just use the bathroom)**

You must complete the contact tracing QR code if you visit a FCAC gallery or enter our buildings. This data will be important if there is a case reported on site. All data is confidential and no provided to third-parties.

4**Use sanitizer provided**

Hand sanitizer is available at multiple locations at FCAC. Use it when you arrive at FCAC, or after handling items or surfaces.

5**Keep your distance**

Maintain a distance of 1.5m from other visitors on site. Adhere to maximum room capacities as directed at the entry way to different spaces at FCAC.

6**Observe Room Capacity Signage**

Please adhere to room capacity signage. You may be asked to wait outside venue until the room capacity will allow entry.

7**Be patient and kind to staff and other visitors**

Please be patient as we navigate our new COVID normal. You are welcome to send feedback about your experience to reception@footscrayarts.com
