# **Artlife Studio 2024**

## **Calling all artists with lived experiences of d/Deafness and Disabilities!**

ArtLife Studio is a platform for artistic growth and industry opportunities. Whether you're an emerging or established artist, there is something for you!

As a registered NDIS Service Provider, our program provides tailored opportunities in visual arts, making it easy to access our program through your own NDIS plan. ArtLife Studio is a vital part of our mission to promote equity in the Australian arts industry.

Entry to ArtLife Studio is through our Expression of Interest (EOI) form, with some programs requiring a relaxed interview. Workshops are funded through your NDIS plan.
