

Audience COVID Safe Policy

What you need to do to stay COVID Safe and respect others when visiting Footscray Community Arts. Please note these are conditions of entry

1

Bring a mask, and wear it, as required by Victorian Public Health Advice

Please bring and wear your mask as per Public Health Advice. We have disposable masks available. Please alert our staff if you have a medical exemption

2

Check-in using the QR Code around the precinct and at the entry to our buildings.

You must complete the contact tracing QR code if you enter our buildings. You are required to show proof of vaccination. If you do not have a phone, you can write your contact information and show proof of vaccination.

3

Use sanitizer provided

Hand sanitizer is available at multiple locations around the precinct. Please use it when you arrive at Footscray Community Arts or after handling items or surfaces.

4

Keep your distance

Maintain a distance from other visitors and staff. Adhere to maximum room capacities as directed at the entry way to different spaces on the Precinct. Be mindful of others as you move around the space.

5

Observe Room Capacity Signage

Please adhere to room capacity signage. You may be asked to wait outside venue until the room capacity will allow entry.

6

Be respectful, patient and kind to staff and other visitors

Please be patient as we navigate our new COVID normal. Please be mindful of others. Failure to comply with this policy may result in staff asking you to leave the venue. You are welcome to send feedback about your experience to reception@footscrayarts.com
